MESSAGE

from the Mayor

On behalf of the Members of Council, I am delighted to bring greetings to all readers of the 2008/2009 Richmond Hill Chamber of Commerce Buyer's Guide. The Town is fortunate to have a strong and vibrant Chamber whose membership exceeds 500. A number of those members have received local business achievement awards and, in recent years have received Ontario Chamber of Commerce recognition as well.

Membership in the Richmond Hill Chamber of Commerce confers many benefits. In addition to the Annual Business Achievement Awards which take place each March and recognize excellence in several categories, there are monthly events with topical speakers, education programs, monitoring of and liaison with all levels of government, group insurance programs, an annual golf tournament and, perhaps best of all, unparalleled opportunities to network with your peers, your existing and prospective clients and your elected government representatives. I had the honour of being President of the Chamber on two separate occasions in the past and have seen first hand the benefits that are available. I recommend membership in the Richmond Hill Chamber of Commerce as a very wise investment you'll be glad you made.

An excellent working relationship has been developed between the Town and our local Chamber of Commerce. It's a wonderful partnership which serves our mutual goal of having a solid business foundation in our community. In closing, I want to thank the Richmond Hill Chamber of Commerce for its important contribution to the Health and vitality of our Town and to wish it every continued success in the year ahead.

Yours very truly,

MESSAGE

from the Chair of the

It's with great honor that I accept the role of your Chair for the upcoming year.

I first joined the Chamber in 1997 after a customer of mine told me I should join the Chamber of Commerce as it would help me with my business and connect me with the business community.

Well he was right about that and that brings me to my message today.

Since day one I got involved with the Chamber. I have served on a number of committees and made an effort to attend almost every event. I treat our events as a business appointment and if you look at it that way you will attend more meetings and come away with information you can use.

I meet many people who join, and hang the certificate up on their wall and that's it.

To get anything out of an organization, you have to get involved and attend meetings at least once a month.

When we surveyed our members a few years ago networking was their number one reason for joining the chamber. Unfortunately many people expect to make a sale the next day after meeting a new person; it does not work that way. Networking is a lot like dating, networking is about building relationships, not about handing out business cards. If you make a connection with someone at one of our events have a coffee with them to find out if you can help them and vice versa. Remember people do business with people they know and trust, and it takes time.

As the Town of Richmond Hill continues to grow and prosper I hope the same for our Chamber in the year to come. I look forward to working with the Board of Directors and all of our Members to achieve our goals in the coming year.

One of my personal goals as I take on the Chair will be to get more people involved in our Chamber and work towards our Mission: to foster a business environment that enhances the success of our members and improves the quality of life in Richmond Hill.

Earl Sky, Chair of the Board 2008-2009

MESSAGE

*from the Outgoing Chair
of the Board*

It is my pleasure to update you on the highlights of the activities of your Board over the past year. The following is a list of some of the accomplishments this past year:

Hosted a successful All-Candidates debate for the Richmond Hill Riding for the Provincial election in fall 2007 and sat on the panel for an All-Candidates debate for the Oak Ridges-Markham riding held in King;
Continued the CEO Series breakfasts, providing opportunities for members to have direct dialogue with our local politicians and CEO's. This year we had Richmond Hill MPP, Reza Moridi, on the hot seat answering questions from our members

We established a formal semi-annual meeting program with the His worship Mayor Dave Barrow, where we bring business issues from our members to the Town. This forum also offers the Mayor an opportunity to bring issues to us for our input. I can report that we have held two meetings and discussed issues ranging from the Dunlap Observatory lands, transportation and business development

We established similar meeting programs with both MPPs that serve Richmond Hill: Reza Moridi for Richmond Hill and Helena Jaczek for Oak Ridges-Markham. The plan is for the Chamber to meet with each of the MPPs annually to discuss Provincial business issues. I report that we have met separately with each of them in the past year.

We have very strong representation in the Town's People Plan program. Chamber representatives have been involved in most of the planning sessions including the business roundtable sessions

Active participation by Chair and Government Affairs Committee Chair at the Ontario Chamber of Commerce and Canadian Chamber of Commerce AGM's. I am happy to report that the resolution regarding funding for health care in rapidly growing communities that we co-authored with the GTA Health Care Alliance was unanimously approved at the Ontario Chamber of Commerce policy plenum

The Chamber also has representatives on both the Yonge Subway task force committee and the Raise the Curtain Campaign Cabinet for the funding of capital costs for the construction of the new theatre in Richmond Hill

I also wanted to mention the extremely successful hosting of the Canadian Chamber of Commerce's Annual Conference and AGM in York Region this year. The Richmond Hill Chamber, along with the Vaughan Chamber and the Markham Board of Trade joined forces to pull off a very successful event. A very strong organizing committee headed by Mac Cosburn pulled off one of the best CCC annual events ever. Thanks to Leslie Walker, CEO of the Richmond Hill Chamber of Commerce, Deborah Bonk, CEO of the Vaughan Chamber of Commerce, and the respective staffs of all three organizations for the extra effort to ensure such a successful event.

Wow! What a year! It was a lot of work, but I can report that it was very interesting and I believe that the Chamber made good progress.

Sincerely
Glenn Lott,
Chair of Board, Richmond Hill Chamber of Commerce
